Dr. Kenneth L. Schwab

President

Dr. Kenneth L. Schwab, an award-winning educator with a keen interest in leadership and strategic planning, was named Centenary College's 34th President, August 7, 1991.

His efforts to maintain Centenary's reputation as one of the premier liberal arts colleges in the nation has resulted in enhanced student life and increased academic quality during his tenure.

Dr. Schwab came to Centenary from the University of South Carolina where he was Executive Vice President for Administration (1988-91) after serving as Executive Assistant to the President for Institutional Planning (1986-88).

From 1970-1986, Dr. Schwab held administrative positions at Guilford College in Greensboro, NC. He was the Assistant Dean of Students and Director of Residential Operations (1970-74), Dean of Students (1974-80) and Assistant to the President for Institutional Planning and Community Relations (1980-86).

Dr. Schwab holds the doctor of education degree (1978) from Indiana University, master of education degree (1972) from the University of North Carolina-Greensboro and the bachelor of science degree (1969) from Purdue University, where he graduated with honors as the 1969 Outstanding Senior. He has also done post-graduate studies at both John Hopkins University and Harvard.

Dr. Schwab and his wife, Patricia, who also has a doctorate in education, are the parents of three sons: Kempton, Carlton, and Christopher.

Russ Sharp

Director Of Athletics

In his fifth year as the Director of Athletics, Russ Sharp has made quite an impact on Centenary's athletic department.

Since coming from Arkansas State, where he served as Assistant Athletic Director for four years, Sharp has created a sports medicine facility, advertising partnerships and has developed a master plan for facility improvements.

Two phases of his facility improvements plan have already been completed. The first phase of the plan was the construction of a new softball field which was completed in spring, 1996 and lights are expected to be in place in time for next season. Fall, 1996, his hard work brought about the expansion of the soccer field and the installation of a state of the art scoreboard which completed phase two of the plan. Other phases of the facility improvements plan included the addition of permanent seating at each venue.

Sharp has also worked on fund raising campaigns and has created a marketing plan to lead the Centenary Athletic Department into the 21st century. He has served as the chair of the Trans America Athletic Conference Nomination and Finance Committee and this fall will begin participation on his fourth NCAA Certification and Peer Review Team as well as his first NCAA Rifle Committee.

Prior to Arkansas State, Sharp spent 13 years at West Georgia College. Among his roles at West Georgia were Assistant Athletic Director for Business Affairs and Executive Director of the Braves Club.

A 1983 graduate of West Georgia, Sharp and his wife, Teri, are the proud parents of 15-month-old son, Matthew Glenn Sharp.

ACADEMIC SUCCESS

Nationally recognized by U.S. News and World Report, Money Magazine, Peterson's Guide to Competitive College and others, Centenary College of Louisiana is noted for providing an environment for success, both for its students and its faculty.

Founded in 1825, **Centenary College** is the oldest private liberal arts institution west of the Mississippi River. Centenary provides a superior education for students capable of intellectual leadership and for those who can benefit from study in an academic community where excellence is encouraged and individuality is respected. Centenary places emphasis on preparations for various professions. The college is an institution of the United Methodist Church.

Centenary boasts a student/professor ratio of 11 to 1 for its 850 undergraduate students, while classes rarely exceed 30 in introductory courses. Centenary is a member of the Southern Association of Colleges and Schools. Recently, a Centenary education was recognized in "**U.S. News and World Report**" as the best value among regional universities in the South. Centenary also ranks eighth among the South's top universities in the magazine's "America's Best Colleges" issue.

Shreveport is located on the west bank of the Red River in northwest Louisiana. The metropolitan area has a population in excess of 300,000 and forms the geographical, cultural, and economic center of the region known as the Ark-La-Tex. Centenary is located two miles from downtown Shreveport.

ATHLETIC HISTORY

Centenary has a treasured history in athletics, dating back to 1894 when the school fielded its first football team for a game with Louisiana State University.

As a matter of fact, Centenary once boasted of having one of the finest football teams in the nation. The Gents posted a perfect 10-0 record back in 1927 with a team coached by **Homer Norton**. That year, Centenary defeated four Southwest Conference opponents (SMU, Baylor, Rice, and TCU) to start the season and finished off the memorable campaign with a 59-2 whipping of Louisville. Centenary outscored its opponents 261-38 over the 10-game span.

In that era 13 Centenary football players went on to professional gridiron careers, including: **Conway Baker**, **Buddy Parker**, and **Cal Hubbard**.

Hubbard was the most illustrious of the group, starring on championship teams and earning induction into the **Pro Football Hall of Fame** and the **College Football Hall of Fame**. He is a triple rarity in that he also is in the **National Baseball Hall of Fame** as an umpire.

Centenary discontinued football in 1947 due to the poor oil economy in the Ark-La-Tex region but the school's athletic success continues.

TODAY

Centenary is a charter member of the **Trans America Athletic Conference** (established in 1978) and is in its 21st and final year in the TAAC.

Centenary sponsors 15 men's and women's intercollegiate sports: baseball, basketball, cross-country, golf, rifle, soccer and tennis for men and cross-country, golf, gymnastics, rifle, soccer, softball, tennis and volleyball for women. Women's basketball will be added for the 1999-2000 season.

In the 20-year history of the TAAC, Centenary has won 11 Trans America Athletic Conference championships. The Centenary Athletic Department was the recipient of the Jesse Fletcher Award in 1983-84 for the conference's best all-around program and was runner-up for the honor from 1988-90.

TRANS AMERICA ATHLETIC CONFERENCE

In the ever-changing environment of collegiate athletics, the Trans America Athletic Conference (TAAC) continues to balance academic and athletic excellence while blending a unique style of tradition and growth. The TAAC, founded September 19, 1978, stands firmly upon its purpose as stated in its constitution and bylaws, "...to assist its member institutions in the maintenance of programs and intercollegiate athletics which are compatible with the highest standards of education and competitive sports.

The TAAC again enjoyed success in the classroom and on the playing fields as a record number 960 student-athletes earned all-academic honors in 1997-98, surpassing the previous mark of 908 set in 1996-97. The University of Central Florida took home the TAAC's All-Academic Championship Trophy in 1997-98 as 52.6 percent of its student-athletes earned conference all-academic honors. Georgia State University earned the prestigious conference honor of winning both the TAAC Men's and Women's All-Sports Championships in 1997-98.

The TAAC welcomes Jacksonville University (Jacksonville, FL) as a full member in 1998-99 as the Dolphins were associated members in men's and women's soccer in 1997-98. With some of the finest private schools and fastest growing state schools in the Southeast, the TAAC will have more than 2,000 student-athletes competing in the conference in 1998-99.

The TAAC has become one of the top all-around collegiate athletic conferences in the country. In its 21st year of operation, the TAAC continues to strive toward providing its member institutions the best arena for academic and athletic success.

Jed Jones

Head Coach

On December 2, 1996, Jed Jones was hired as the third head coach in Centenary soccer history. He spent two seasons serving as an assistant coach to Centenary soccer pioneer Glenn Evans. He began his first collegiate head coaching position as the skipper for both the Centenary College Gents' and Ladies' soccer program last season after a successful collegiate and professional playing career.

A native of Norman, Oklahoma, Jones played professional soccer for the Oklahoma City Slickers of the USISL from 1992 to 1994. Prior to that he played with the Oklahoma City Spirit, a semi-professional team, for two years. Jones helped lead the Spirit to the Lone Star Soccer Alliance Championship in 1989.

Jones played collegiately at Oklahoma City University, where he was the co-captain of the Chiefs for all four years. He also helped OCU to the NAIA District Nine finals three straight seasons. In 1987, as a sophomore, he led the Chiefs in scoring. Jones graduated from OCU in 1994 with a bachelor of science degree in education.

The 29-year old Jones has quite a bit of coaching experience. He came to Centenary after serving as an assistant coach at his alma mater for two years. Prior to his stint at OCU, he was an assistant coach at Norman High School. Jones has been the head coach of many club teams and has been an instructor of numerous soccer camps. He is currently on the L.S.A. O.O.P. state coaching staff.

He also holds a United States Soccer Federation "B" Coaching License as well as the International Coaching License of the Football Association of Ireland.

Jones and his wife, the former Stacey Kroll, who is a dentist, were married on August 3, 1996.

Glenn Evans

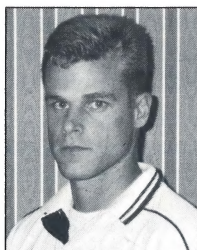

Assistant Coach

Coach Glenn Evans, the pioneer of Centenary's soccer program, stepped down last year as head coach of the Gents' and Ladies' soccer program. Beginning this season, he will serve as the assistant to coach Jed Jones for the Ladies' soccer team. Evans leaves large shoes to fill for Jones. As head coach, he posted a 161-105-3 (.604) record in 14 seasons as the head coach of the Gents' soccer program and a 66-25-3 (.725) record in five seasons as the Ladies' head coach.

Evans guided the Gents' program from its inception through 1978, before returning at the start of the 1983 campaign. During his tenure, the Gents posted nine consecutive winning seasons (1983-91), including three straight Trans America Athletic Conference Championships. For his and the team's efforts, he was named TAAC Coach of the Year in 1983, 1988, 1989, and 1990 as well as receiving that honor for his direction of the Ladies program in 1994.

The Herkimer, New York native earned a B.S. in health & physical education as a Gent in 1969. He received a master's degree in education from the University of Georgia in 1970.

Evans, 53, is the Superintendent of Athletics for Shreveport Parks and Recreation. He and his wife, Karen, have four sons: Chad, 32; Scott, 27; Trey, 15 and Brian, 13.

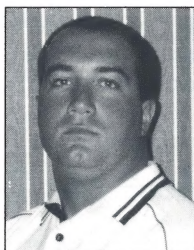

Paul Berry

Graduate Assistant Coach

Paul Berry enters his second year as the graduate assistant coach for the Gents.

Berry, 26, played collegiately for Centenary from 1990-93.

He received a bachelor of science degree in biology from Centenary in 1994.

Michael Comeau

Assistant Coach

Michael Comeau begins his second year as an assistant coach for the Ladies, working primarily with goalkeepers.

Comeau, 28, received his B.S. in elementary education from Auburn in 1994 and his masters in sports administration from Northwestern State in 1997.

Margaret Fenet

Graduate Assistant Coach

Margaret Fenet begins her second year as a graduate assistant coach for the Ladies.

Fenet, 24, earned a B.S. from LSU and is currently pursuing a graduate degree in education from Centenary.

She has played professionally for three seasons.

Ladies Try To Shed Image

Over the last four seasons, the Ladies soccer team has posted a record of 60-16-1 and has captured three Trans America Athletic Conference Western Division crowns. However, in each of those four seasons, Centenary has failed to win the TAAC Tournament.

This season, the Ladies are again looking for their initial post-season victory in hopes of qualifying for the NCAA Tournament which is the reward for the the conference tournament champion.

With 10 starters and 16 letterwinners returning, Centenary will again be among the conference elite as it tries to shed its image of a team that cannot win the big game.

The leading Lady is junior forward **Jacintha Wick** (Grand Prairie, TX) who led Centenary with 14 goals and 34 points last season on her way to being named third team all-TAAC. Wick's performance in 1997 followed a 1996 season in which she was named Louisiana State Freshman of the Year after leading the Ladies with 13 goals and 31 points.

Wick's 27 goals and 65 points are both fourth all-time at Centenary and she should be second to former Ladies' standout Shelley Marusak in both categories by season's end. Wick is also tied for fourth in career game-winning goals at Centenary with five.

Other forwards who should have an impact this season are sophomore **Diane Scott** (Houston, TX) and junior **Shari Overbeek** (Arlington, TX).

Scott tallied seven goals and three assists last season despite appearing in only 10 matches. Overbeek redshirted last sea-

son after suffering a season-ending ankle injury. During her first two seasons at Centenary, she scored 14 goals, including three game-winners, and added 10 assists.

The midfield position will be anchored by sophomore **Lara Brown** (Duncanville, TX) and senior **Mary Cholley** (Hurst, TX). Both started in all 18 of the Ladies' contests

a year ago and both enjoyed successful seasons.

Brown garnered a second team all-TAAC selection after pumping in nine goals and adding four assists. Cholley was named third team all-TAAC following her five goal and team-leading eight assist season.

Other players

to watch include sophomore **Shannon Richardson** (Richardson, TX) who had five goals and five assists in 1997 and junior **Jaime Walker** (The Colony, TX) who may move to midfield after a successful stint as a defender.

The defense will rely heavily upon sophomores **Jenelle Cockerham** (Katy, TX), **Brandy Gunderson** and others to keep the ball out of the Ladies' net.

The goalkeeper job belongs to sophomore **Katie Bowman** (Katy, TX) who started 12 matches last season and recorded a 1.86 goals against average.

Coach Jed Jones calls the schedule, "one of the most difficult on paper the Ladies' have ever had," as Centenary will face seven teams in the nation's top 100 and play intrastate rival LSU for the first time in three years.

Gents Look To Return To Winning Ways

After posting its first winning season in five years (8-7 in 1996), the Centenary men's soccer program suffered through a disappointing 5-11-1 campaign in 1997.

This year, the Gents are looking to return to the glory days that saw Centenary capture three consecutive Trans America Athletic Conference championships (1998-90) while appearing in five straight TAAC title games (1987-91).

If that is to happen, coach

Jed Jones' Gents will have to do it with youth as Centenary does not have a single senior on its roster.

With the leading goal scorer from a year ago, Antonio Paternostro, gone, the responsibility for the bulk of the Gents' offense rests squarely on the shoulders of junior forward **Robert Fernandez-Vinas** (Carrollton, TX). Fernandez-Vinas was responsible for six of Centenary's 25 goals (24 percent) in 1997 and those numbers can expect to rise with the departure of Paternostro.

Expect junior **Jaime Frias** (Houston, TX) to complement Fernandez-Vinas at the forward position while also seeing playing time as a midfielder. Frias appeared in 16 matches last season, 11 as a starter, and recorded two goals and two assists.

Juniors **Tomas Melchor** (Spring, TX) and **William Schaffler** (Moore, OK) return to provide Centenary with experience at midfield.

Melchor appeared in 15 of the Gents' 17 matches, all as a starter and Schaffler started 12 matches and appeared in each of Centenary's 17 contests last season.

A trio of sophomores, **Geo Claros** (Norman, OK), **Johnathan Peterson** (Enid, OK) and **J.C. Stewart**

(Shreveport) will provide leadership on defense.

All three will see their roles increase as Peterson appeared in 16 matches, but only three as a starter while Stewart had 15 appearances, six as a starter and Claros only saw action in five matches, all starts.

Junior

Kaissar Najjar will mind the nets for the Gents. Last season, Najjar started nine matches and had a 2.55 goals against average.

The schedule is brutal as Centenary plays 14 matches against teams ranked in the top 100.

Included are contests against Southern Methodist, a national quarter-finalist in 1997 who knocked off the Gents in the waning moments of the season-opener last year in Dallas and defending TAAC champion Georgia State.

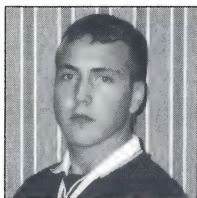

Centenary will take part in the University of Missouri-Kansas City Tournament, September 5-6, playing host UMKC and New Mexico.

The Gents open their conference schedule against Campbell, which won the Western Division title last season, in Shreveport, September 12.

"I don't know how much tougher it could get," Jones said. "Just about every game we play is going to be tough one."

Gents' staff (Back L-R) Head Coach Jed Jones, Asst. Coach Glenn Evans. (Front L-R) G.A. Coach Paul Berry, Athletic Triainer Patrick Ohaver, Asst. Coach Michael Comeau..
